

## Cougar Creek Golf Resort

Cougar Creek Golf Resort is one of Alberta's finest challenges. It is nestled in a natural forest on rolling terrain. Spruce, birch, poplar, and aspen line many of the holes which are generously spotted with sand bunkers and water hazards.

Since the opening of the course in August of 1996, many golfers have tested their skill and enjoyed the challenge of Cougar Creek. Our facility offers a unique golf experience for all levels of players as multiple tees allow the course to be played from 5,200 yards to 6,900 yards.
